CHAPTER 241

NAKABA SUZUKI

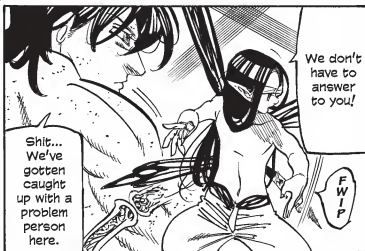

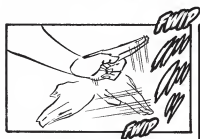

THE SEVEN DEADLY SINS

DROLE
AND
GLOX-
INIA OF
THE TEN
COM-
MAND-
MENTS
?!

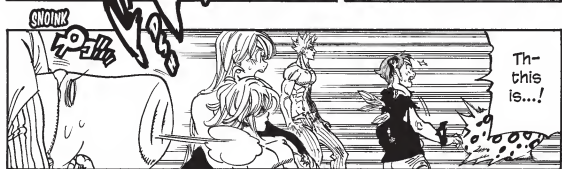

ANSWER
ME! WHY
DID YOU
SAVE THE
SEVEN
DEADLY
SINS?!

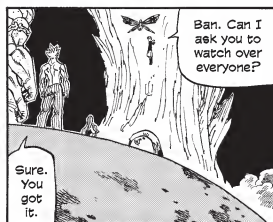

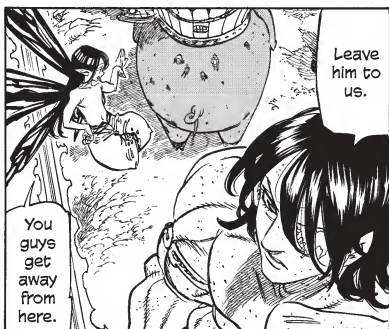

We don't
have to
answer
to you!

Shit...
We've
gotten
caught
up with a
problem
person
here.

FWIP

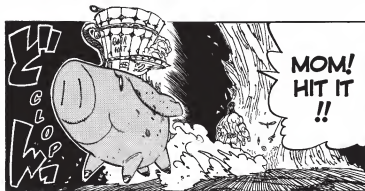

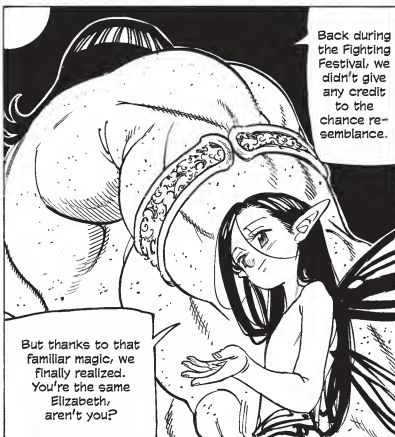

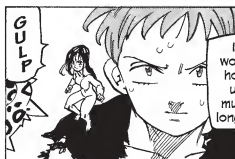

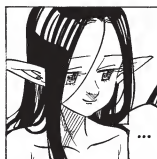

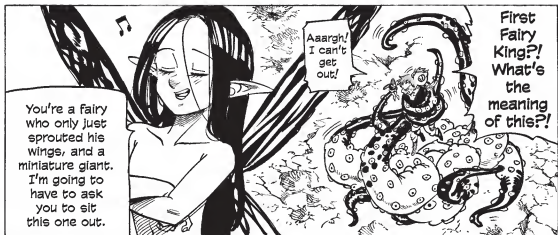

You don't have to say a word.

You're a fairy who only just sprouted his wings, and a miniature giant. I'm going to have to ask you to sit this one out.

Aaargh!
I can't
get
out!

First
Fairy
King?!
What's
the
meaning
of this?!

I still
think highly
of you,
okay?

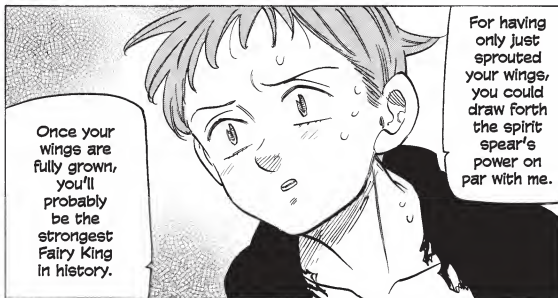

KUH
...!

But your
magic's
already
so
sapped
you
can't
even
get
out
of
this
small
trap.

WE
CAN
STILL
FIGHT!

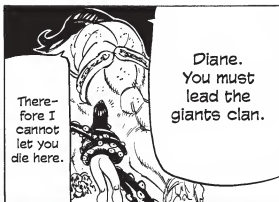

Once your
wings are
fully grown,
you'll
probably
be the
strongest
Fairy King
in history.

For having
only just
sprouted
your wings,
you could
draw forth
the spirit
spear's
power on
par with me.

That's...
impos-
sible!

M-me
?!
Lead
the
giants
?!

There-
fore I
cannot
let you
die here.

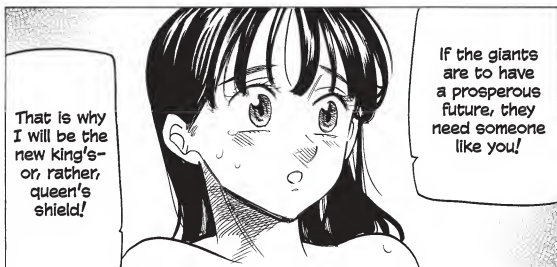

Diane.
You must
lead the
giants clan.

The reason
their numbers
have fallen
so low is
because of me,
their king.

Giants
don't fear
death.
They're
brave
warriors.

Put another
way, they're
a cowardly
race. All they
know how to
do is lash
out, and they
don't have the
courage to
back down.

That is why
I will be the
new king's-
or, rather,
queen's
shield!

If the giants
are to have
a prosperous
future, they
need someone
like you!

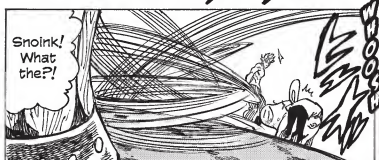

WAIT!

That's enough talk.

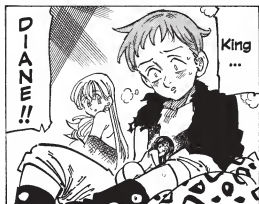

BSST

Snoink!
What the?!

BOOM

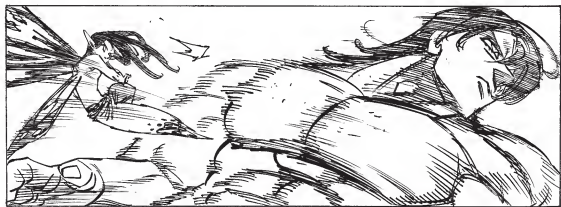

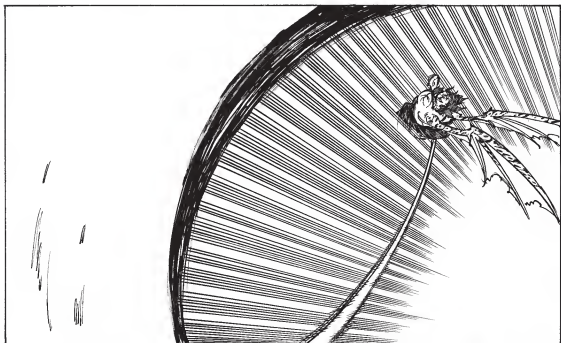

King ...

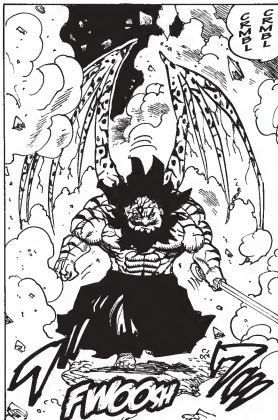

GLEAM

CLOP CLOP CLOP

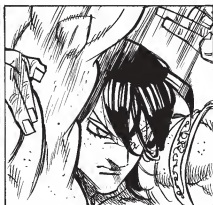

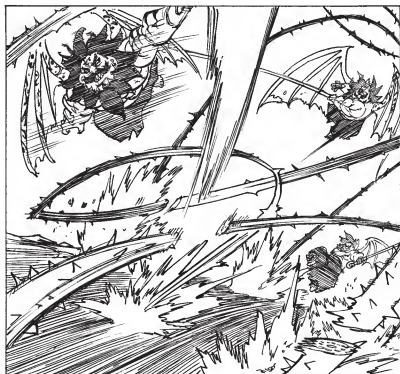

You Ten
Commandments...
King of the
Giants and
Fairy King!
This is a
serious act of
treason you've
committed!

A black and white manga-style illustration. In the foreground, a small fairy with large, dark, veined wings and a pointed ear stands on a rocky ledge. She is looking up at a giant behind her. The giant has long dark hair, a beard, and a large, muscular build. He is also wearing a loincloth and has large, dark, veined wings. He is looking down at the fairy. The background is filled with stylized, swirling clouds. The scene is set on a rocky, cliff-like surface.

We are
no longer
of The Ten
Command-
ments nor
even Kings.

We're just
a fairy and
a giant.

*...you've
carried out
your will for
over 3000
long years.*

*Meliодas...
Ever since
that day you
sent us to
hell...*
